

## WORK EXPERIENCE

---

**Jun 2021-current**

*Milan, Italy*

**Radiation Oncologist Consultant**

Department of Radiation Oncology  
*Fondazione IRCCS Istituto Nazionale dei Tumori*

Outpatient clinical activity and clinical research

Fields of expertise:

Thoracic oncology: lung cancer, lung metastasis, mesothelioma, thymic epithelial tumors

Adult soft tissue and bone sarcomas

Other rare tumors

Stereotactic Radiosurgery (SRS) and Stereotactic Body radiotherapy (SBRT)

Palliative Radiotherapy

Active member of thoracic oncology and adult sarcomas Tumor Board

MDT clinics thoracic oncology

MDT clinics soft tissue and bone sarcomas

MDT clinics breast sarcomas

**Apr 2020 - Jun 2021**

*Milan, Italy*

**Junior Radiation Oncologist**

Department of Radiation Oncology  
*Fondazione IRCCS Istituto Nazionale dei Tumori*

Outpatient clinical activity and clinical research

Thoracic oncology (lung cancer, lung metastasis, mesothelioma, Thymic epithelial tumors)

Adult soft tissue and bone sarcomas; other rare tumors

Stereotactic Radiosurgery and Stereotactic Body Radiotherapy

Palliative Radiotherapy

Active participation in MDT meeting of clinical cases of thoracic oncology and sarcomas

MDT clinics of thoracic oncology and sarcoma patients

Board member of departmental quality and risk manual

## EDUCATION

---

**Nov 2019**

*Aquila, Italy*

**Radiation oncology board certificate cum laude**

University of L'Aquila

Thesis: The potential benefit of Proton Therapy in Oropharyngeal Cancer: Where are the evidences? Mentors: Prof. Vincent Grégoire, Prof. Domenico Genovesi

**Nov 2015-Oct 2019**

*Chieti, Italy*

**Radiation Oncology Residency Training**

SS. Annunziata Hospital, G. D'Annunzio University of Chieti  
University of L'Aquila

Subspecialty rotations: Genito-urinary and gynecological cancer, head and neck cancer, thoracic cancers, breast cancer, CNS cancer, gastrointestinal cancer, lymphomas.

Concurrent chemo-radiotherapy for GI and CNS cancers management  
Matured experience in Intensity modulated RT (IMRT), SRS, SBRT, SABR, Image-guided RT (IGRT), 4D CT.

**Jul 2019-Sep 2019**

*Lyon, France*

Clinical Observership- visting physician  
Head and neck cancer, Breast cancer, Gynecological cancer  
Mentor Prof. Vincent Grégoire  
*Département de Radiothérapie, Centre Léon Bérard*

**Jun 2019**

*Rome, Italy*

INTERACTS Course- Interventional Radiotherapy Active Teaching School  
*Gemelli ART, Università Cattolica Sacro Cuore*

**Mar 2019**

*Brussels, Belgium*

ESTRO School - ESTRO course on Basic Clinical Radiobiology

**Mar 2015-Oct2015**

*Magenta, Italy*

Postdoc training - clinical fellow in Onco-Heamatology  
Department of Medical Oncology  
Legnano Civil Hospital, G. Fornaroli

**Mar 2014**

*Milan, Italy*

**Bachelor of Medicine and Surgery (MBBS)**, University of Milan (Italy)

Thesis: Breast cancer in patients greater than 80 years old: analysis of mono-institutional experience, Mentor Prof. Paolo Foa  
Internship in Medical Oncology Department at the San Paolo Hospital

**Jun 2005**

*Tirana, Albania*

**High school diploma**  
Mehmet Akif Turkish College

**LANGUAGES**

**Albanian:** Native  
**Italian:** Fluent  
**English:** Advanced  
**Turkish:** Moderate  
**German:** Basic/intermediate

**SKILLS**

- Excellent communication and relational skills.
- Ability to work under pressure.
- Decision-making and time management.
- Constructive attitude and excellent sense of adaptability due to attendance of multicultural frameworks.
- Matured experience in target and OARs contouring and treatment planning software (Eclipse Aria, RayStation, OncentraMasterPlan, Monaco, Focal), treatment delivery (Varian, Elekta), IGRT, SBRT e SRS.
- ICH Good Clinical Practice E6 (R2) certification
- Basic Life Support (BLS) certification
- Excellent Computer skills: knowledge and use of Microsoft Windows e IOS

## AFFILIATIONS

- Member of Medical order of Milan since September 2014
- Member of Italian association of radiation and clinical oncology (AIRO)- member of thoracic oncology WG and Re-irradiation WG
- Member of European Society for Radiotherapy and Oncology (ESTRO)
- Member of Italian Sarcoma Group (ISG)
- Member of British Sarcoma Group
- Member of Transatlantic Australasian Retroperitoneal Sarcoma Working Group (TARPSWG)
- Member of Italian mesothelioma network and member of Quality Working group
- Member of Innovation Commission of Lombardy Region

## Scientific activity

- Mentoring for Pre-Med shadowing program, ATLANTIS
- Tutoring for residents in Medical physics, University of Milan
- Tutoring for residents in Radiation Oncology, University of Milan
- Participation in several national and international courses/congresses /seminars/webinar/web meetings
- Speaker at AIRO, ISG congresses
- Co-author of abstracts/posters presented at AIRO, ESTRO, CTOS, ASTRO congresses
- Co-Investigator of clinical trials (thoracic oncology and adults 'sarcoma)
- Co-author of several papers

I authorize the processing of personal data present in the CV pursuant to Legislative Decree .Lgs. 101/2018 and of the GDPR (EU Regulation 2016/679).

Date 27/03/2024

Signature

## Publications

- Oligometastatic sarcoma treated with curative intent ablative radiotherapy (oscar): a multicenter study on behalf OF AIRO (ITALIAN ASSOCIATION OF RADIOTHERAPY AND CLINICAL ONCOLOGY). *RadiotherOncol*. 2024  
*D Franceschini, D Greto, S Dicuonzo, F Navarra, M Federico, M La Vecchia, C Sangalli, A Allajbej, L Di Cristina, R Mazzola, A Pontoriero, G Montesi, P Navarra, D Baldaccini, E Clerici, L Lo Faro, C Franzese, S Di Biase, S Pergolizzi, F Alongi, M Bignardi, I Fazio, M Mascarin, B A Jerezczek-Fossa, L Livi, M Scorsetti*
- How LEM-based RBE and dose-averaged LET affected clinical outcomes of sacral chordoma patients treated with carbon ion radiotherapy. *RadiotherOncol* 2021  
*Silvia Molinelli, Giuseppe Magro, Andrea Mairani, Albina Allajbej, Alfredo Mirandola, AgnieszkaChalaszczyk, Sara Imparato, Mario Ciocca, Maria Rosaria Fiore, Ester Orlandi.*
