PROFILE

Clinical Research Professional with over a year of hands-on experience in clinical trial management and pharmaceutical care, including work in both clinical research and community pharmacy environments. Adept at regulatory compliance, data collection, and analysis, with a proven track record of supporting phase II and III hematology clinical trials. Demonstrated commitment to Good Clinical Practice standards, with expertise in accurate medication dispensing and maintaining strict quality control measures. Holds a Bachelor in Pharmacy and a Master's in Medical Biotechnology, with a recent thesis on health-related quality of life of Patients with Myeloproliferative Neoplasms. Skilled in clinical trial oversight and patient care, bringing a well-rounded perspective to clinical research.

EXPERIENCE

Clinical Trial Internship

[A.O.U Maggiore Della Carità Novara, Italy](#)

03/2023-10/2024

Clinical Trials Unit specializing in Hematology research.

Supported clinical trial operations by assisting in patient recruitment, screening, and informed consent processes.

Conducted data entry and verification, ensuring accurate and timely updates to clinical trial databases.

Assisted with the preparation and organization of regulatory documents and trial materials.

Maintained trial documentation, including patient records and study logs, ensuring compliance with regulatory requirements.

Collaborated with clinical research teams to monitor trial progress and adherence to study protocols.

Assisted in coordinating communication between research staff, trial sites, and sponsors. Provided administrative support, including scheduling meetings, preparing reports, and tracking trial timelines.

Pharmacist

[Health Mart Servaid Pharmacy Pvt. Ltd.](#)

12/2020-10/2021

Pharmacy services provider ensuring comprehensive pharmaceutical care.

As a community pharmacist, I provided expert advice on medication use, ensuring patients understood their prescriptions, side effects, and drug interactions.

Urdu- Native

managed prescriptions, reviewed for accuracy and appropriateness, and delivered personalized medication therapy management to optimize patient outcomes.

collaborated with healthcare professionals to coordinate care, participated in health promotion initiatives, and administered clinical services like vaccinations.

Additionally, I handled inventory management, ensuring regulatory compliance and maintaining accurate patient records, while offering exceptional customer service to resolve health-related inquiries.
